

February is Children's Dental Health Month!

celebrate with the Maine CDC
School Oral Health Program's

2024 Poster Contest!

GRADES PK-6TH
WITH 4 AGE
CATEGORIES!

DEADLINE – THURSDAY,
FEBRUARY 29, 2024

This year's theme:
"HEALTHY HABITS FOR
HEALTHY SMILES!"

All posters should be horizontal, 8.5" x 11", and include the name, grade, and school in the lower right corner!

Winners will receive an awesome prize package!

SUBMISSIONS SHOULD BE
EMAILED TO SOHP@MCD.ORG

INSTRUCTIONS

The poster should illustrate the importance of oral health and ways to keep teeth healthy. A basic understanding of good oral health concepts is a prerequisite. These can be reflected as illustrations of this year's theme; or any dental-related topics for example, eating nutritious foods, having regular dental check-ups, getting dental sealants, brushing and flossing every day, or using mouth guards are all needed to have a healthy smile.

The student's name, grade, and school name must be printed on the lower right corner of each poster.

This information will not be visible when voting takes place

Posters should be colorful, and easily seen from a distance. They should be horizontally oriented on white photocopy paper "8.5 x 11".

All submissions should be emailed to sohp@mcd.org by February 29, 2024

CONTEST RULES

There will be four grade divisions: PK-Kindergarten, 1-2, and 3-4, and 5-6.

Your school may consider having a preliminary contest just for your students, however, our contest is statewide and only one will be awarded from each category.

Staff members of the School Oral Health Program, Maine Center for Disease Control and Prevention, and MCD Global Health will judge the contest.

Voting will take place for 3 days and winners will be notified by March 8, 2024.

Thank you for your participation!
